5. How do we measure memberships - people that subscribe on our website? So what is our starting point?
 - Requiring physical address to join emails list

6. Recruitment of Board members

- A. Do we need to change the application to get more information from applicants? (we don't ask physical address, owner/renter)
- B. Vetting Process? Do we take anyone who is interested? Or those that have skills we are looking for? Or those that will help us diversify the board?
- C. What are we looking for? Land Use Assistant; Secretary; General Board Members; person to help with website
- D. How does timing of recruitment fit with updating website? Seem like we would want to tell potential applicants about the current issues in our neighborhood
- E. How does timing fit with Citywide mailer going out at end of June?

7. Updating the website

- A. Who has the skills and time to update it?
- B. 6/10 large development public meeting on website - how get there?
